#### 20-Gauge 320 Pump Shotgun

The Stevens 320 pump shotgun series quickly built a reputation for solid, affordable performance for everything from wingshooting to home defense. Stevens has expanded the line with four new 20-gauge models. The shotguns boast the same features as their 12-gauge counterparts, with dual slide bars, a rotary bolt, rugged synthetic stock, and five-round magazine. Stevens offers the 20-gauge 320 in two field grade versions—standard and youth—as well as two security models.

#### Features & Benefits

- Built on the popular 12-gauge 320 pump shotgun platform
- Dual slide bars
- Rotary bolt
