320 Field-Grade Camo Pump Shotgun, 12-Gauge

The Stevens 320 pump shotgun series quickly built a reputation for solid, affordable performance for everything from wingshooting to home defense. Stevens has expanded the line with a new waterfowl camo model. The shotgun boasts the same features as the company's other 12-gauge 320 field-grade models, including dual slide bars, a rotary bolt, rugged synthetic stock, and five-round capacity. It is finished with Mossy Oak® Shadow Grass® Blades™ camo, includes interchangeable chokes and come in both compact and standard length-of-pull models.
