SHOTGUNS

20-Gauge Field-Grade Muddy Girl Camo Pump Shotgun

The Stevens 320 pump shotgun series quickly built a reputation for solid, affordable performance for everything from wingshooting to home defense. Stevens has expanded the line with two new 20-gauge models designed with women and youth in mind. The shotgun boasts the same features as the company's other 20-gauge 320 field-grade models, including dual slide bars, a rotary bolt, rugged synthetic stock, and five-round capacity. It is finished with Muddy Girl® camo, includes interchangeable chokes and come in both compact and standard length of pull models.

Features & Benefits

- Rugged synthetic fore-end and stock in Muddy Girl® camo
- Bottom-load, right-eject pump action
- Mid-length fore-end
- Beaded front sight
- Standard length of pull: 13.75 inches
- Compact length of pull: 13.25 inches
- Dual slide bars and rotary bolt
- Five-plus-one capacity
- Vent rib
