

BETTER COMES STANDARD.

110 BEAR HUNTER

For hard-hitting performance against tough game and even tougher conditions, choose the Savage 110 Bear Hunter. Its AccuFit™ system lets shooters easily customize the length-of-pull and comb height for a personalized fit, while the user-adjustable AccuTrigger™ offers a crisp, clean pull and prevents the firearm from discharging if jarred or dropped. Together with the AccuStock™ which cradles the action three-dimensionally along its entire length, the 110 Bear Hunter provides the fit and function of a custom rifle—right out of the box. Its 23-inch stainless steel fluted barrel is button-rifled, fitted with an adjustable muzzle brake and held within a Mossy Oak® Break-Up Country synthetic stock.

FEATURES:

- AccuFit system lets shooters quickly adjust comb height and length-of-pull
- User-adjustable AccuTrigger
- AccuStock rail system secures the action three-dimensionally along its entire length
- Mossy Oak Break-Up Country synthetic stock
- 23-inch, stainless steel barrel with straight fluting and button rifling
- Adjustable muzzle brake
- Hinged floorplate magazine
- Soft grip fore-end and pistol grip surfaces
- New Model 110 design and ergonomics
