110 LONG RANGE HUNTER

Making an extreme range shot on the trophy of a lifetime requires not only a rifle built for accuracy, but a rifle built for you. The Savage 110 Long Range Hunter's AccuFit™ system lets you easily customize the length-of-pull and comb height for a personalized fit, while the user-adjustable AccuTrigger™ offers a crisp, clean pull. Together with the AccuStock™, which secures the action three-dimensionally along its entire length, the 110 Long Range Hunter provides the fit and function of a custom rifle—right out of the box. Its 26-inch button rifled barrel provides the utmost precision and consistency, and is topped with an adjustable muzzle brake.
