

BETTER COMES STANDARD.

110 WOLVERINE

Chambered for the straight-walled 450 Bushmaster cartridge, the Savage 110 Wolverine offers both precision and power for deer, bears and hogs. Its AccuFit™ system lets you easily tailor the length-of-pull and comb height for a perfect fit, while the user-adjustable AccuTrigger™ offers a crisp, clean pull. Together with the AccuStock™, which secures the action three-dimensionally along its entire length, the 110 Wolverine provides the fit and function of a custom rifle—right out of the box. It features a Magpul AICS magazine, as well as an 18-inch carbon steel heavy barrel with a ported muzzle brake and 11/16-24 threading. A one-piece 0 MOA rail mounted on the receiver makes it easy to set up the rifle to your unique needs.

FEATURES:

- AccuFit system lets shooters quickly adjust comb height and length-of-pull
