

BETTER COMES STANDARD.

110 APEX STORM XP

The complete package is finally here, and it's ready for anything nature can dish out. Our all-new 110 Apex Storm XP pairs a Model 110 rifle with a 3-9x40mm Vortex® Crossfire II scope that comes mounted, bore-sighted and ready to hunt. The platform provides accuracy and adjustability like no other package rifle thanks to the Savage® AccuTrigger™, thread-in headspacing, floating bolt head and button-rifled stainless steel barrel. Plus, its length-of-pull can be quickly adjusted to fit any hunter for better comfort and consistency. The Crossfire II's Dead-Hold BDC reticle makes it easier to place accurate shots at extended range, and the optic is securely mounted to a one-piece EGW 0 MOA rail.
