

## 301 TURKEY

HEAVYWEIGHT® TSS turkey loads have transformed the .410 into a serious gobbler gun, with powerful patterns and minimal recoil through light, fast-handing shotguns like the new Stevens 301 Turkey. Its single-shot, break action is simple and incredibly reliable, and the 26-inch barrel is optimized for new HEAVYWEIGHT TSS payloads. The removable one-piece rail makes it easy to equip the 301 with an optic, and it's available in Mossy Oak® Bottomland and Obsession camouflage options.
