

555 ENHANCED

Get the performance and style of the Stevens 555 Enhanced in a new 16-gauge model. Its light aluminum receiver is scaled to gauge and incorporates a steel insert that reinforces the breech, minimizing weight and maximizing strength. The fast-handling over-and-under boasts upgrades including an Imperial walnut stock and fore-end, auto shell ejector, and a silver, scroll-engraved filigree ornament receiver. Standard features include a manual safety and a single, selective mechanical trigger—all at a price that’s unmatched among comparable shotguns.

FEATURES:

- New 16-gauge model
- Auto ejectors
- Imperial walnut stock
- Silver, scroll-engraved filigree ornament
- Five interchangeable chokes
- Lightweight aluminum receiver
- Single selective mechanical triggers
- Chrome-lined barrels
- Tang-mounted safety
