

555 16 GAUGE

The Stevens 555 has always doled out world-class over-under performance—now it does it in 16 gauge. The field and trap tested platform is light and handles fast, thanks to a lightweight aluminum receiver that's scaled to gauge and reinforced by a steel insert. It's also loaded with features, including a stylish Turkish walnut stock and chrome-lined, 28-inch carbon steel barrels.

FEATURES:

- New 16-gauge offering
- Chrome-lined carbon steel barrels
- Turkish walnut stock
- Lightweight aluminum receiver with tang-mounted safety
- Single selective mechanical trigger
- Manual extractors
- Five interchangeable choke tubes
