

**320 FIELD GRADE**

With a rotary bolt and dual slide bars, the Stevens 320 Field Grade platform chews up and spits out anything you pump though it—from the heaviest hunting loads to the lightest clay breakers—in any conditions. The proven design now features an updated synthetic stock that stands up to a lifetime of real-world use. Available in a wide selection of compact and standard models in matte black or camouflage finishes.

**FEATURES:**

- Redesigned synthetic stock and fore-end
- Pump action with rotary bolt
- Dual action slide bars
- Bottom load, right eject
- Modified, extra-full or cylinder choke included, depending on specific model, Win. choke pattern
- Matte black finish barrel and receiver
