TACTICAL SERIES

10/110 BA Stealth

Savage™ has teamed with Drake Associates to expand its “BA” line of long-range chassis rifles with new calibers and left-hand models. The Model 10/110 BA Stealth is a lighter, more compact option in the BA line. It features a factory-blueprinted Model 10/110 barreled action mated to a custom version of the Drake Hunter/Stalker monolithic chassis, which has been modified to Savage’s specifications.

Features & Benefits

- Factory-blueprinted Savage action
- Monolithic chassis machined from a solid billet of aluminum
- M-LOK® forend and Picatinny rail for easy configuration
- Adjustable AccuTrigger™

110 BA Stealth (long action)

- 5/8 24 threaded muzzle with brake
- Drake one-piece long scope rail
- Fab Defense® GLR-16 six-position buttstock with adjustable cheek riser
- Adjustable AccuTrigger
