

11/111 LADY HUNTER

Features:

- Lightweight design custom fitted to female shooters
- Detachable box magazine
- Oil-finish American walnut stock
- 20-inch, carbon steel, button-rifled, light-taper barrel
- Drilled and tapped for scope mounts

The 11/111 Lady Hunter is literally built around the needs of female hunters. Its oil-finish American walnut stock features a raised comb custom-tailored to a woman's contours, as well as a shortened length of pull and slender grip and fore-end. The balance point of the 20-inch, light-taper barrel has been shifted, making it feel lighter, yet it provides enough weight to absorb recoil.
