Gain an edge in any competition. The Model 12 F/TR is designed for unparalleled accuracy at extreme distances, thanks in part to a user-adjustable Target AccuTrigger™ that allows the shooter to fine-tune pull from 6 ounces to 2.5 pounds. The 30-inch, full-profile stainless steel barrel is button rifled and perfectly balanced with the wood laminate stock. The 12 F/TR includes an oversized bolt handle and single-shot Target Action.
