

12 LONG RANGE PRECISION

Features:

- Target Action
- Detachable magazine
- HS Precision fiberglass stock with v-block
- 26-inch, fluted, full-profile carbon steel barrel
- Button rifling

Expand your range and shrink your groups. The 12 Long Range Precision features user-adjustable Target AccuTrigger™ technology for fine-tuning trigger pull from 6 ounces to 2.5 pounds. Its 26-inch, fluted, full-profile carbon steel barrel is button rifled and perfectly balanced with the HS Precision fiberglass stock with v-block. The rifle also includes an oversized bolt handle, a Target Action and detachable magazine.
