- Matte black finish
- Five-plus-one capacity

Take on any tactical situation with a shotgun built specifically for the task. The 320 Security platform has been proven for years, and it’s now even better with a redesigned black matte synthetic stock and fore-end. Like all 320 shotguns, it features a smooth, reliable pump action, rotary bolt and dual slide-bars. Now available in several configurations with specialized sighting

systems, grips and other options.
