SAVAGE

A22

Features:

- 10-round rotary magazine
- Button-rifled barrel
- Rugged composite stock
- Drilled and tapped for scope mounts

Accuracy and adrenaline are woven into every aspect of the Savage® A22. The semi-automatic 22 Long Rifle is powered by a straight-blowback action and uses the same thread-in headspace system as our centerfire rifles. It has a 10-round rotary magazine and the game-changing AccuTrigger™, which allows for a crisp, user-adjustable trigger pull.

North American SKUs
