AXIS II BOTTOMLAND ORIGINAL

Features:

- Rugged synthetic Mossy Oak Original Bottomland camo stock
- Sized for smaller shooters
- Carbon steel button-rifled sporter barrel
- Detachable box magazine
- Thread-in barrel headspacing

Exclusively available at CHATTANOOGA SHOOTING SUPPLIES.

Precision, performance, and price have never come together like this. The natural ergonomics of the AXIS II Compact Bottomland Original's synthetic stock lets smaller-framed hunters shoot their very best. The rifle's user-adjustable AccuTrigger, thread-in headspacing, and floating bolt head extract the utmost accuracy from the button-rifled sporter barrel for the performance of high-end hunting rifles at a fraction of the price.
