SAVAGE

AXIS II SR FDE

Features:

- Synthetic sporter Flat Dark Earth stock
- Carbon steel medium profile button-rifled sporter barrel with threaded muzzle
- Detachable box magazine
- Thread-in barrel headspacing

Exclusively available at ACADEMY SPORTS + OUTDOORS.

Precision, performance, and price have never come together like this. The synthetic stock with natural ergonomics on the AXIS II SR FDE lets any hunter shoot their very best. Like always, the rifle's user-adjustable AccuTrigger, thread-in headspacing, and floating bolt head extract the utmost accuracy from the 22-inch button rifled sporter barrel for the performance of high-end hunting rifles at a fraction of the price.
