

## AXIS II XP SR VSX CAMO

### Features:

- Rugged synthetic VSX camouflage stock
- Factory-mounted and boresighted 3-9x40mm Bushnell Banner scope
- Detachable box magazine
- Button-rifled, matte blued barrel

**Exclusively available at BASS PRO and CABELAS.**

Make a statement at camp and keep a low profile in the field with the AXIS II XP SR VSX CAMO. At just 6.5 pounds, this lightweight powerhouse packs serious features including a button-rifled, matte blued, 22-inch carbon steel barrel topped by a factory-mounted, boresighted Bushnell Banner 3-9x40mm scope. A detachable box magazine comes standard, as does a stylish yet practical design highlighted by sleek contours with a textured fore-end and grip.

## North American SKUs

| SKU   | CALIBER          | HANDED | Barrel Length   | Weight            | MSRP  |
|-------|------------------|--------|-----------------|-------------------|-------|
| 18750 | 300 AAC Blackout | Right  | 16.125" (41 cm) | 7.71 lbs (3.5 kg) | \$549 |
