- Bipod and sling swivel stud mount
- Reliable, single-shot action
- Manual safety
- Unload without pulling the trigger
- Feed ramp
- Includes ear plugs and firearms lock
- 11 degree target crown

The industry's safest micro rimfire has come of age—and it's ready to shoot, right out of the box. The Rascal Target XP comes with a mounted and

boresighted 4x32mm scope, as well as a bipod sling swivel stud mount. It's built for accuracy and adaptability, thanks to a precision hardwood stock, heavy 16 1/8-inch barrel, one-piece Picatinny rail and threaded (1/2-28) muzzle. Like the original Rascal, the single shot rifle cocks by lifting the bolt and unloads easily—without pulling the trigger. The design also builds superior shooting skills thanks to full-size rifle features, including Savage's user-adjustable AccuTrigger™ system. The platform offers far better safety, functionality and accuracy than competing designs.

## North American SKUs

SKU	CALIBER	HANDED	Barrel Length	Weight	MSRP
13824	22 LR	Right	16.125" (41 cm)	5.95 lbs (2.7 kg)	\$469
13836	22 LR	Left	16.125" (41 cm)	5.95 lbs (2.7 kg)	\$469
