SAVAGE®

RXR22

Features:

- Reliable blowback semi-automatic operation
- Rugged polymer receiver with integral Picatinny top rail
- 16.5” Precision button-rifled barrel with recessed target crown
- Threaded barrel – ½”x28
- 10-Round rotary magazine with polymer body and metal feed lips
- Accepts aftermarket Ruger® 10/22® compatible magazines, triggers, and barrels
- Quick-release trigger group
- Metal sling studs plus a Picatinny accessory rail located under the fore-end tip
- Stylish synthetic stock with ergonomic grip
- Interchangeable grip inserts allow for customization
- Cleaning port located in the rear of the receiver

The RXR22 is the ultimate 22LR semi-automatic rifle for shooters who want simplicity, performance, and customization—without breaking the bank. Lightweight and easy to handle, it’s built for everything from plinking and target shooting to small-game hunting and tactical-style training.

Equipped with a 10-round detachable magazine, the RXR22 ensures quick, smooth reloads. A front rail gives you the freedom to mount grips, lights, bipods, and other accessories, while the adjustable ergonomic grip delivers a comfortable fit for shooters of all sizes.

Whether you’re new to rimfire or a seasoned shooter looking for a modern edge, the RXR22 delivers rugged reliability, low-cost shooting, and tactical versatility—all in one affordable platform.
