- Full-length top-rail Bronze Cerakote® finish
- Magpul PRS® Gen 3 adjustable buttstock
- User-Adjustable AccuTrigger™
- Heavy fluted barrel with muzzle brake
- Detachable box magazine
- 5R rifling

OVERVIEW:

Blend pinpoint precision and torture-tested toughness to beat the most challenging targets and conditions. The Stealth Evolution pairs a heavy fluted barrel with a monolithic aluminum chassis finished in rugged bronze Cerakote®. The incredibly hard polymer-ceramic coating greatly enhances resistance to abrasion, corrosion and impact. Its factory-blueprinted 10/110 action, matched with our zero-tolerance headspacing, user-adjustable AccuTrigger™ and 5R button rifling, produces sub-MOA accuracy at extreme ranges, right out of the box.
