MSR 10 HUNTER

OVERVIEW:

The Savage® MSR 10 Hunter is a compact sporting platform that still packs the punch of AR-10 chamberings. The rifle squeezes even more performance from its upgraded Savage barrel with 5R rifling, a 2-stage trigger, and a tough Melonite QPQ finish. Other upgrades including a free-float fore-end, custom-forged lower receiver and Magpul adjustable buttstock and pistol grip turn the Hunter into the ultimate big game rifle.
