## OVERVIEW:

BETTER COMES STANDARD.

The 110 Elite Precision is the pinnacle of the Savage’s 110 designs. We’ve begun with the time tested Model 110 action and then rethought every aspect of the rifle. The overhaul includes all of the upgrades demanding shooters make to their long range tack drivers. The 110 Elite Precision has an Adjustable Core Competition chassis from [Modular Driven Technologies \(MDT\)](#). From its full length ARCA rail to its high tech coatings, this is a rifle built for a lifetime of Elite Precision.
