OVERVIEW:

Savage® teamed up with PROOF Research® to craft a barrel specific for a purpose driven firearm. At 6 pounds and under, the 110 Ultralite is designed to combat elevation and elements while maintaining the performance of a factory blueprinted Savage 110 action. The carbon fiber wrapped stainless steel barrel and melonite skeletonized receiver minimize weight for success on any mountain hunt is now available for those south-paw enthusiasts. The rifle comes equipped with Savage's AccuFit™ technology with adjustable length-of-pull and comb height to provide hunters with optimum fit and performance. The user-adjustable AccuTrigger™ allows crisp, clean shots to close out successful hunts.
