OVERVIEW:

Turning the tables on nature's predators requires tools that can withstand the elements and perform when it matters. The 110 Carbon Predator features details that make a difference when every shot counts. The user-adjustable AccuTrigger can be adjusted by the shooter down to 1.5 pounds while the granite textured stock features AccuFit with AccuStock, which secures the action three-dimensionally along its entire length. The rifle is paired with a carbon fiber wrapped stainless steel barrel, and AICS detachable magazine to ensure optimum performance.
