B22 MAGNUM F

OVERVIEW:

Meet a bolt-action rimfire built for the modern age—and for the shooter's body. The B22 Magnum F uses an ergonomically designed stock, higher comb, top tang safety and target style, vertical pistol grip to allow shooters to hold the rifle in a more natural position that puts less pressure on the wrist. It features a button-rifled barrel, a 10-round rotary magazine and the accuracy-boosting adjustable AccuTrigger™.
